***CHANGES AND UPDATES WILL BE SHOWN IN BOLD**

Dear Parents/Carers,

We are now into Week 5 of the term, and I wanted to take this opportunity to share some important reminders and updates with you.

Firstly, if you wish to meet with me, please be aware that I am not always available during the school day as I am often in and out of lessons and have other commitments. If you would like to see me, please contact the school office to arrange an appointment so that I can ensure I give you the time and attention needed.

A key focus for us this term is attendance. We really need to be aiming for a much higher percentage across the year group. The hardest part for many students is simply getting through the gates in the morning. Once they arrive, we can offer support and ensure they make the most of their day in school. Please let me know if there is anything we can do to support you in helping your child attend regularly.

Finally, I would love to celebrate the achievements of our Year 10 students, both inside and outside of school. If your child has done something exciting, challenging, or achieved a personal goal recently, please do let me know so that we can recognise and celebrate this together.

Thank you for your continued support.

Kind regards

Mrs Wyatt
