## Dear Parents/Carers,

Thank you for all you have done over the past two weeks to prepare and support your Year 11 students for their mock GCSE exams, attendance and effort has been excellent.

We are pleased to share a helpful resource for parents and carers of students in their exam years. Action Your Potential, an external organisation specialising in learning and wellbeing, is running a dedicated WhatsApp group designed to offer practical tips, guidance, and reassurance as your child prepares for their GCSEs.

The group provides short, accessible messages packed with strategies to support revision, manage stress, build routines, and keep motivation high. If you'd like to join and receive regular, supportive insights throughout the year, please follow the link here [chat.whatsapp.com](https://chat.whatsapp.com) or the QR code .

Kind regards

*Mrs J Fillery*

## CANTEEN LIMIT

We wanted to let you know that from 1 January, the daily maximum amount students can spend in the school canteen will increase slightly to £5.

This is the first time we have ever raised the cap, and it will help ensure students can continue to choose from a good range of nutritious meal options. It will also help keep queues moving smoothly, minimising waiting time for all.

If you have any questions or would like any further information, please feel free to get in touch.

PROUDLY WORKING TOWARDS

# DANCEATHON

By I Hendrick and Friends

## What is the danceathon?

On Tuesday 21st October the school canteen and dance studio was full of fun, laughter and most importantly lots of dancing! Danceathon was an 8 hour fundraising event to raise money for our performance at dance live. The money raised will go towards covering the cost of props and costumes for the dance live performance in January. This year all participants were encouraged to wear Halloween fancy dress or cosy pyjamas.

## Who participated?

There were a variety of pupils at the danceathon, from year 7 all the way to sixth form students. It was a great way to learn from others.

## What dance styles / dances did we learn?

Throughout the day we learnt a variety of dances and dance styles. We looked at 'The Hand Jive' from Grease and from this workshop we had to work in a pair to create our own dance based on the dance movements we'd learnt. From this we then performed competing against others. We also learnt a 50's rock and roll routine to Elvis and different 'tik tok' dances.

## What was the best part of the day?

We loved the whole day because it was really exciting and inspiring. It was nice to be able to work with a range of different people from different year groups, allowing new friendships to form. It was just a brilliant day!

## How can I get involved next year?

If dance is a passion or hobby of yours then it would be great to see you at next year's danceathon. Lookout for the dance live auditions and come along! We'd love to see you there!
