## Thank you to our students

We would like to thank all of our students for their kindness and cooperation on Wednesday this week.

During our end-of- school dismissal, emergency services were required to attend a fire near our school.

We have been contacted by several members of the public who wished to praise our students for their conduct, politeness, and consideration during what was a stressful situation.

Year 11, have really settled into this term, and are accruing a large number of ARC points with their new passport and the golden tickets. We are extremely proud of the work they are doing.

Kind regards

Mrs Fillery

PROUDLY WORKING TOWARDS

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking—on corners, zigzags, pavements, double yellow lines, or blocking driveways—creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

# Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
