Wellbeing

We recognise wellbeing as a top priority for our whole school community.

You can find a whole host of information on our website along with links to external sites with information for our students.

Dear Parents/Carers,

Welcome back! We hope you all had a restful and enjoyable half term break. It has been lovely to see Year 11 students returning to school refreshed and ready to learn. Students have already settled back into their routines well, and we are looking forward to building on the positive momentum from last term.

A special assembly will be held on the 10 March 2026 to provide students with their mock exam results. We are very proud of the way in which they conducted themselves during mocks before half term.

We would also like to take this opportunity to thank you for your continued support with our uniform expectations and mobile phone policy. Maintaining high standards in these areas helps create a focused and respectful learning environment for all students.

- Students should arrive at school in full, correct uniform every day.
- Mobile phones must remain switched off and out of sight during the school day.

Your support at home makes a significant difference, and we greatly appreciate your partnership in reinforcing these expectations. If you have any questions or concerns, please do not hesitate to contact the Year 11 team.

Have a great weekend.

Kind regards

Mrs Fillery

PROUDLY WORKING TOWARDS

THE
ANGMERING
SCHOOL

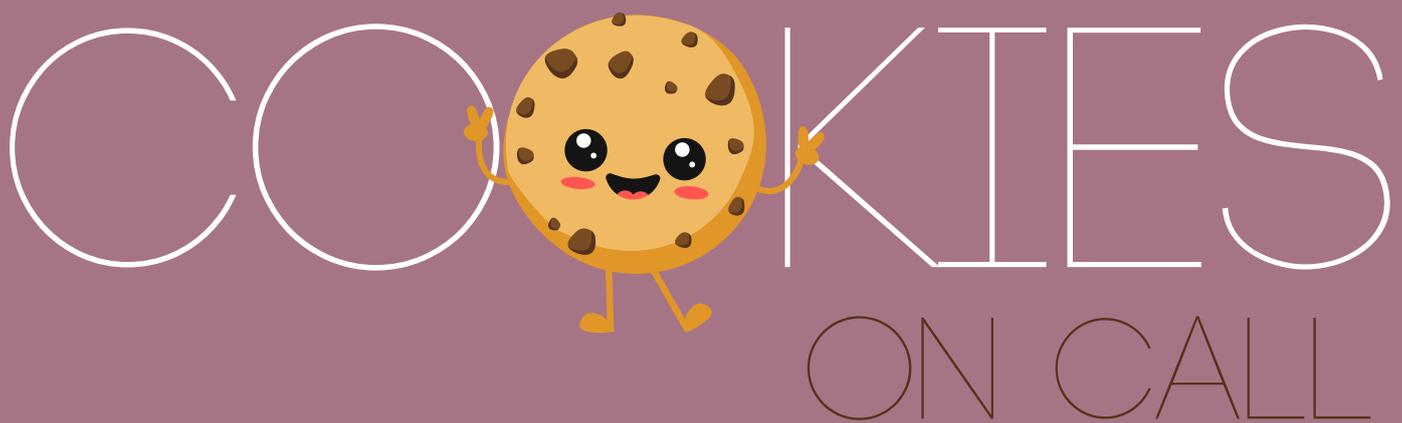

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking on corners, zigzags, pavements, double yellow lines, or blocking driveways creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
