## Breakfast Heros

A huge thank you to Mrs Williams, Miss Foulds, and Miss Cox for once again providing a fabulous breakfast for our Year 11 students during exam season—it's so appreciated.

Mock exams are officially in full swing!

## Dear Parents/Carers,

We've hit the midway marker for the students' first year in secondary school, and it has been a very positive period for Year 7.

Students have settled well into routines, shown increasing confidence around the school, and demonstrated a fantastic attitude to learning. I have been particularly impressed with the way many pupils are embracing our school values and supporting one another as they continue to develop both academically and socially.

As we move forward into the second half of the year, we encourage all students to remain organised, complete homework to the best of their ability, and continue to take pride in their behaviour and presentation. Your support at home in reinforcing these expectations makes a real difference.

Please remember that if you have any questions or concerns, or if there is anything you feel we should be aware of regarding your child, do not hesitate to contact the school. Working together is key to ensuring every student feels supported and successful. Thank you once again for your ongoing support. I look forward to continuing to work with you and your children throughout the year.

Have a lovely weekend.

Kind regards

Mrs Hook

PROUDLY WORKING TOWARDS

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking on corners, zigzags, pavements, double yellow lines, or blocking driveways creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

# Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
