Wellbeing

We recognise wellbeing as a top priority for our whole school community.

You can find a whole host of information on our website along with links to external sites with information for our students.

Dear Parents/Carers,

It has been lovely to welcome Year 7 back after the half-term break. Thank you to all parents and carers who attended the recent consultation evening. It was lovely to meet so many of you in person and to share how well students are progressing.

We are also pleased to share some exciting news regarding our rewards trip. Details have now been issued for our visit to Paultons Park on 22 May, and almost all students have qualified for a place - a fantastic achievement for the year group. Please refer to the letter sent home this week for full details and next steps.

Looking ahead to next week, we will be celebrating World Book Day. Year 7 are invited to dress as their favourite book character on Thursday 5 March and we would love to see as many students taking part as possible. We are really looking forward to seeing their creativity and using the day to promote a love of reading across the year group.

Thank you, as always, for your continued support.

Have a great weekend.

Kind regards

Mrs Hook

PROUDLY WORKING TOWARDS

Spotlight on

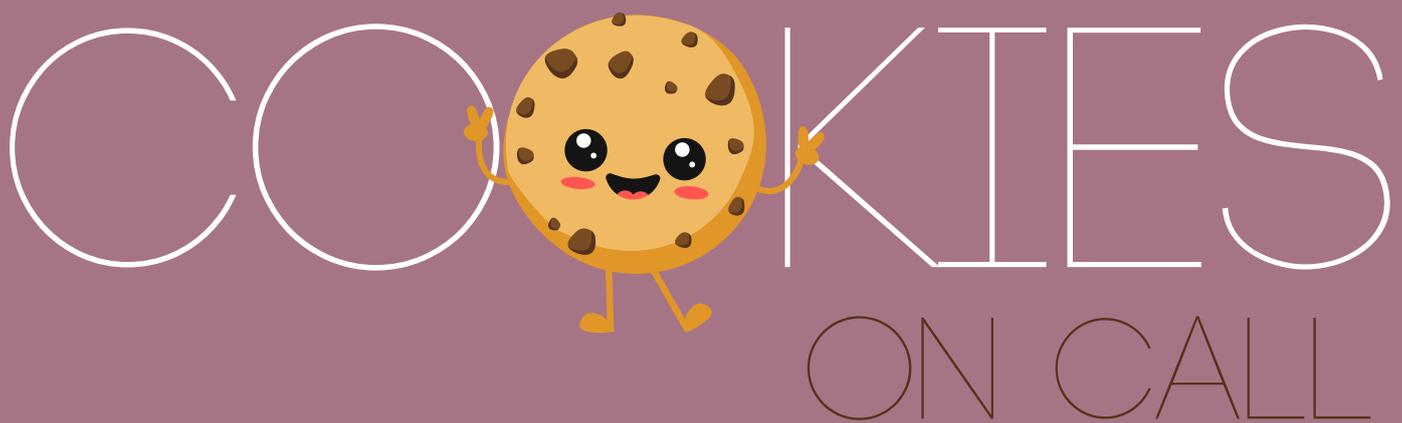

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking on corners, zigzags, pavements, double yellow lines, or blocking driveways creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
