Spotlight on

Early Finish - 25 June

Just a reminder that Thursday 25 June is our Year 8 Parent Consultation evening and therefore school will be finishing at 1.35pm for all students.

Any students who normally use the Ferring bus should meet at the main reception office at 1.35pm and will be dropped off by Ferring Library by members of our team.

Dear Parents/Carers,

As we enter the final few weeks of Year 7's first year at secondary school, I couldn't be prouder of how much our students have grown, both academically and personally.

The transition from primary to secondary school is a significant milestone, and our Year 7 cohort has embraced every challenge with resilience, enthusiasm and determination. They have settled into school life brilliantly, built new friendships, developed greater independence and shown a real commitment to their learning.

It has been wonderful to see so many students getting involved in extracurricular activities, representing the school, and demonstrating our values every day. Their achievements, big and small, are a testament to their hard work and the support they receive from their families and our dedicated staff.

As we look ahead to the end of the academic year, there is still much to look forward to. I encourage all students to continue working hard, making positive choices and finishing their first year of secondary school with the same enthusiasm they have shown throughout the year.

Thank you to our parents and carers for your continued support. Together, we have helped our Year 7 students build strong foundations, and I look forward to seeing all they will achieve as they move into Year 8.

Have a great weekend.

Kind regards

Mrs Hook
