28/01/2026 Y9 Options Evening - 5-7pm

***CHANGES AND UPDATES WILL BE SHOWN IN BOLD**

USEFUL INFO

**NO
ENTRY**

For the safety of all our students and staff, we kindly remind you that parents are not permitted to drive on to school site at drop off and pick up time unless you have been issued with a turning circle pass. Please do not stop or park on the yellow zigzag lines.

We also ask that you park considerably in the surrounding area when dropping off and picking up children. In particular, we would ask that you avoid blocking driveways of our neighbours, which may prevent residents from entering or leaving their homes.

Thank you for your cooperation.

OF THE YEARLY TARGET

Dear Parents/Carers,

A good level of attendance was seen this week in year 8! It's wonderful to see so many students arriving on time, ready to learn, and showing commitment to their education. Good attendance plays such an important role in both learning and wellbeing. It helps students stay connected with their classmates, keep up with lessons, and build great habits for the future. A huge thank you to all our families for supporting this effort — your encouragement at home really makes a difference. Let's keep the momentum going and aim for another excellent week ahead!

Can I politely ask that any female students wearing trousers ensure they are not the legging or flared type. School trousers should be smart and tailored. These can be purchased from our uniform suppliers Ricara and many supermarkets also stock these in their uniform section.

As we approach the colder, wetter season we would like to remind all students to please dress appropriately. We would suggest that students wear a waterproof coat to school, and are welcome to wear a navy V neck jumper under their blazer.

Our front gate, and the Bramley Green gate, are open from 8.20am to 8.40am. Students are expected to be in school by 8.40 and in their tutor base by 8.45. Any arrivals after 8.45 will be marked as late to school. When this happens an after school detention is issued, as per our Behaviour Policy, which can be found [here](#).

Have a lovely weekend!

Kind regards

Mrs Ford

Mrs S Ford
Head of Year 8

STUDENT LEADERS

We're delighted to introduce our brand-new Student Leadership Handbook, it is designed to inspire ambition, nurture respect, and build courage in every student. This handbook highlights exciting existing and new leadership training opportunities that will help our young people grow into confident, compassionate, and capable leaders.

With the support of parents, carers, teaching and support staff, and our wider community, students will be encouraged to set ambitious goals, act with integrity and respect, and show the courage to make a positive difference.

Together, we're fostering a school culture where leadership is more than a role—it's a mindset grounded in ambition, respect, and courage. It is a lived experience at The Angmering School.
