*CHANGES AND UPDATES WILL BE SHOWN IN BOLD

Dear Parents/Carers,

It's been fantastic to see our Year 8 students looking so smart and enthusiastic about their learning! A big thank you for your continued support in making sure students come to school each day fully prepared with all the equipment they need – being organised really sets them up for success.

Just a quick reminder that any students travelling to and from school by bike should always wear a helmet to stay safe on the journey.

You should now have received your child's school report, which celebrates their achievements and highlights next steps for progress.

I am really looking forward to another fantastic term full of great achievements

A polite reminder if you need to see myself or Ms Duncan please email us.

Kind regards

Mrs Ford

Thank you to our students

We would like to thank all of our students for their kindness and cooperation on Wednesday this week.

During our end-of-school dismissal, emergency services were required to attend a fire near our school.

We have been contacted by several members of the public who wished to praise our students for their conduct, politeness, and consideration during what was a stressful situation.

Spotlight on

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking—on corners, zigzags, pavements, double yellow lines, or blocking driveways—creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
