Wellbeing

We recognise wellbeing as a top priority for our whole school community.

You can find a whole host of information on our website along with links to external sites with information for our students.

Dear Parents/Carers,

Welcome back! We hope you all had a restful and enjoyable half term break. It has been lovely to see Year 8 students returning to school refreshed and ready to learn. This half term is always a busy and important one, with lots of exciting learning opportunities ahead. Students have already settled back into their routines well, and we are looking forward to building on the positive momentum from last term.

We are pleased to let you know that a reward trip letter has been sent out this week. This trip is an opportunity to recognise students who consistently demonstrate excellent behaviour, effort and commitment to our school values. Please keep an eye out for the letter, which will include full details about the trip, eligibility criteria, and payment information.

We would also like to take this opportunity to thank you for your continued support with our uniform expectations and mobile phone policy. Maintaining high standards in these areas helps create a focused and respectful learning environment for all students.

- Students should arrive at school in full, correct uniform every day.
- Mobile phones must remain switched off and out of sight during the school day.

Your support at home makes a significant difference, and we greatly appreciate your partnership in reinforcing these expectations. If you have any questions or concerns, please do not hesitate to contact the Year 8 team.

Have a great weekend.

Kind regards
Mrs Ford

PROUDLY WORKING TOWARDS

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking on corners, zigzags, pavements, double yellow lines, or blocking driveways creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school

ON CALL
