## Dear Parents/Carers,

As we are fast approaching another successful academic year, we would like to congratulate all Year 8 students on their hard work, resilience, and achievements.

### Chessington World of Adventures Trip

We would like to thank all Year 8 students who attended the Chessington World of Adventures trip. They were excellent ambassadors for the school and demonstrated outstanding conduct throughout the day. Staff were particularly impressed by the students' positive attitudes, respectful behaviour, and the way they supported one another during the visit. Their maturity and enthusiasm contributed to a successful and enjoyable experience for everyone involved, and we are extremely proud of how they represented the school. Well done to all students who attended.

### End of Year exams

As Year 8 students approach their end-of-year assessments, we encourage them to make full use of the revision materials that have been provided. Revision aids and guidance resources have been sent to students to support their preparation and help them feel confident ahead of the assessments. Establishing a regular revision routine, reviewing key topics, and completing any recommended practice activities will help students achieve their best. We wish all students every success and encourage them to speak to their teachers if they require any additional support.

### Celebrating Success

This year to date has been filled with excellent learning opportunities, exciting projects, educational visits, and extracurricular activities. Students have demonstrated growing independence, creativity, and determination in their studies. We are particularly proud of the positive attitudes and maturity many students have shown both inside and outside the classroom.

### Attendance and Conduct

We would like to thank students and families for their support in maintaining high standards of attendance, punctuality, and behaviour. These factors play a vital role in ensuring success at school.

Have a great weekend.

Kind regards

**Mrs Ford**
