Uniform

As the temperatures are set to stay in the high 20s next week we are going to extend the current flexibility around our uniform until the end of this term. This means that students can choose between:

- Normal uniform (with blazers and ties being optional)
- Uniform trousers/skirt with their PE polo shirt
- Full Angmering PE kit

We would also remind students to bring a refillable water bottle and sunscreen to help to keep them hydrated and reduce the risk of sunburn.

Thanks for your continued support during this heatwave.

Dear Parents/Carers,

What an amazing year we have had!

As we come to the end of another fantastic school year, it is a wonderful opportunity to reflect on everything our Year 8 students have achieved. It has been a year full of success, resilience and memorable moments, and we are incredibly proud of all they have accomplished.

We have celebrated outstanding achievements both inside and outside the classroom. Our students have represented the school brilliantly in a wide range of sporting competitions, demonstrating teamwork, determination and excellent sportsmanship.

There have also been some exceptional individual successes. We were delighted to celebrate one of our Year 8 students winning the school's Spelling Competition, showcasing impressive knowledge and dedication. Another remarkable achievement came from a Year 8 student who read over 8 million words through Accelerated Reader—an incredible accomplishment and a new Angmering School record!

Alongside these highlights, we have enjoyed educational trips, enrichment activities, performances and countless examples of kindness, perseverance and personal growth. It has been inspiring to see our students embrace new challenges, support one another and develop into confident young people.

A huge thank you goes to our parents and carers for your continued support throughout the year. Your encouragement and partnership have played an important role in helping our students thrive.

We wish all of our Year 8 families a restful, enjoyable and well-deserved summer break. We look forward to welcoming everyone back in September for another exciting year of learning and success.

Kind regards
Mrs Ford

Mrs S Ford

PROUDLY WORKING TOWARDS

Great news from

RICARA

Est 1975

Ordering school uniform has just become even easier.

Parents can now shop online through the new Ricara website, ordering everything they need from the comfort of their sofa (tea and biscuits optional!). Simply place your order online and choose either home delivery or our convenient Click & Collect service, from our Littlehampton shop.

Whether you're getting ready for a new school year, replacing a growth-spurt casualty, or just ticking off that uniform to-do list, Ricara's online shop makes it quick, simple and hassle-free.

Visit our website to browse and order today! Or if you prefer, you can still pop into our local store we'd LOVE to meet you!

3 Arundel Road, Littlehampton, BN17 7BY

Mcgregors

EST 1982

10% OFF ANY PURCHASE

subject to completion overleaf

Mcgregors are a uniform supplier to The Angmering School.

Our shop is opposite Iceland in Goring Road, West Worthing.

To help with the cost, we offer a 10% deposit scheme, with the balance spread until the uniform is paid in full.

Attached is a 10% discount voucher which can be used at the time of purchase (subject to conditions).

This along with our price promise and friendly staff hopefully will make purchasing the uniform easier.

WE'VE LAUNCHED OUR LOTTERY

- Tickets cost just £1 a week
- Help give our fundraising a boost
- Win up to £25,000

Inspiring Future Careers in Construction

A select group of Year 8 girls at The Angmering School recently had the opportunity to hear from Emma Hobson, Business Partner at J Frost Civil Engineers, who delivered an engaging and inspiring presentation about the exciting careers available within the construction industry.

Emma shared her own career journey, highlighted the wide variety of roles available in modern construction, and challenged many of the stereotypes often associated with the sector. Students discovered how construction offers rewarding careers in areas such as engineering, project management, environmental sustainability, business support and site operations, while also learning about the importance of teamwork, communication and problem-solving.

The session encouraged students to think about future career pathways and demonstrated that the construction industry offers fantastic opportunities for everyone, regardless of gender. Emma's enthusiasm and passion for the industry left a lasting impression on the students and inspired many to consider careers they may not have previously explored.

A huge thank you to Emma Hobson and everyone at J Frost Civil Engineers for taking the time to support our students and help inspire the next generation of young women in construction.

Student Quote:

"I never realised there were so many different jobs in construction. Emma showed us that it's not just about building things - there are lots of exciting opportunities, and it made me think that it could be a career for me in the future."

SUMMER Savings

Combined with free bus travel during August for children aged 5 to 15 in England you can also use the attraction finder website to find participating venues near you to make the most of summer!
