LAST DAY OF
TERM
22 JULY

Expectations

As we return to school next week, all students are expected to be back in full school uniform. In light of the continuing warm weather, blazers will not be required for the remainder of the summer term.

Please ensure your child brings a refillable water bottle to school every day so they can stay hydrated throughout the day. We also encourage students to take sensible precautions during periods of warm weather, including applying sun cream and bringing a hat for break and lunchtime if they wish.

Dear Parents/Carers,

As we come to the end of an exceptionally warm week, we would like to take this opportunity, on behalf of all of the Heads of Year and every member of staff at The Angmering School, to thank our students, parents and carers for your patience, understanding and support during this period of extreme weather.

The decision to close the school today was not taken lightly and was made with the safety and wellbeing of our students and staff at the forefront of our minds. We are incredibly grateful for the understanding shown by our families and for the resilience and positivity our students have demonstrated throughout the week as we adapted to the challenging conditions.

We would also like to extend a special congratulations and thank you to everyone involved in this week's production of A Midsummer Night's Dream. Our talented cast, dedicated backstage crew, technical team and staff delivered two fantastic performances despite the exceptional temperatures, demonstrating remarkable commitment, resilience and teamwork. We are incredibly proud of every single person who helped make the production such a wonderful success.

Although this week has been a little different from usual, it has once again highlighted the strength of our school community and the way we work together to support one another when circumstances are beyond our control.

Thank you for your continued support throughout the year. With just a few weeks remaining before the summer holidays, we look forward to welcoming students back next week and ending the academic year on a positive note.

We hope you all have a safe, restful weekend and, where possible, find a chance to keep cool!

Kind regards
Mr Middleton

PROUDLY WORKING TOWARDS

Spotlight on

Aerosols in School

We would like to remind all parents and students that aerosol sprays and perfumed mists, including deodorants and body sprays, are not permitted in school. Aerosols can trigger asthma attacks and allergic reactions in some students and staff, creating a serious health risk within the school environment.

We ask for your support in ensuring that students bring roll-on or non-aerosol alternatives instead. Thank you for helping us maintain a safe and inclusive environment for everyone in our school community.

Please complete the survey from the Children's Commissioner for England. This is an opportunity to have your say on the future!

Reflect on your experience, share what matters most to you and tell them about your hope and ambitions for the future!

ARC AWARDS Nominations

We are looking forward to celebrating many of our students' achievements on Monday 13th July at our annual ARC awards ceremony.

We recognize that many of our students contribute greatly to the local community, often in ways we may not be aware of.

If you know of a student that you would like to nominate for our 'Volunteer of the Year' or 'Community Hero' award, please complete the form here by Friday 3rd July.

REMINDER

The last day to sign up for the colour run is
Wednesday 1 July

HOUSE POLARIS

HOUSE NOVA

HOUSE ORION

HOUSE SIRIUS

HOUSE VEGA

- Cost: £9 (Includes white T-shirt & Sunglasses!)
- Dress Code: Full PE Kit (We provide the rest)
- Accessible course included for non-runners!

NEXT STEPS

1. PARENTPAY: Pay by Wednesday 1st July 2026!
2. ONLINE FORM: Complete the Participation Form for Consent!

Amazing Book Awards

Year 9 and 10 students enjoyed a fantastic evening at the Amazing Book Awards final at Durrington High School last week. We heard from six different authors who talked about their books and gave us really useful tips on how to develop our own writing. Lots of students from other schools were there too. It was great to be in a room full of people who love reading as much as we do!

We enjoyed browsing the book stall and some of us bought ABA badges and bookmarks too. Afterwards we queued to chat to our favourite writers and collect their signatures.

Congratulations to Ravena Guron, whose book "Mondays are Murder" was voted as the students' favourite.

Thank you to Mr Dearman for driving the minibus and to library staff for organising the trip. We can't wait to find out which books will be nominated for next year's award, when the finals will take place at Shoreham Academy.

Our Pre-GCSE Dance group recently had the exciting opportunity to perform at the University of Chichester, showcasing a powerful and thought-provoking dance piece inspired by the Seven Deadly Sins.

Over the past few months, the students have worked incredibly hard, demonstrating dedication, creativity, and resilience throughout the choreographic process.

Working collaboratively with Miss Hayes, they developed and refined a dynamic contemporary and street dance fusion piece that explored the themes and emotions associated with each of the seven sins.

The students delivered their performance with confidence, energy, and maturity, bringing their creative vision to life in front of an audience. Their commitment to rehearsals and willingness to challenge themselves was evident in the quality of the final performance.

Beyond their dancing, the students conducted themselves with professionalism and respect throughout the day, acting as excellent ambassadors for the school. They should be extremely proud of their achievements and the way they represented both themselves and our school community.

Congratulations to all involved on a fantastic performance and a memorable experience.
