DISCRETIONARY BURSARY AWARD

Students who meet the criteria for a free meal in further education will also qualify for a Discretionary Bursary.

The Discretionary Bursary Award is not paid weekly, but is designed to help towards specific costs where a clear need has been evidenced, so this may be a one-off payment (possibly in kind), or a payment made at certain times throughout the year as necessary. In some cases, where a VAT-rated item is purchased by the college for the student, the recipient will have the option of paying the tax and keeping the item at the end of their course, or returning the item. The bursary is intended to support students with their studies at Angmering Sixth Form, and not to subsidise living expenses.

- the student has a right to appeal, through the appropriate forms and procedure
