

ANGMERING SIXTH FORM

ASPIRE AND ACHIEVE AT ANGMERING

Sixth Form Open Evening

Thursday 5th October 2023

4.30pm – 7.00pm

Headteacher's Welcome

Welcome to the Angmering Sixth Form Open Evening.

Our aim is to give you some idea of what we have to offer post-16, and to provide you with an opportunity to ask as many questions as you wish. We recognise that during the coming months you will be confronted by a number of important decisions, and will need as much information as possible to be able to make the right choices. With this in mind, we invite you to visit all our displays and presentations, and talk to subject specialists and Sixth Form staff. It will be a busy evening but one which we hope will demonstrate why so many of our students are happy to choose Angmering Sixth Form, and why over 95% of our alumni progress to university, further education, apprenticeships, training or full-time employment.

Mr. Kerrison will be available to answer any specific questions you may have. Our Careers Manager, Gavin Bowles, will also be available.

The evening's events will take place in our purpose-built Sixth Form Centre and the adjacent new teaching block (F block). Our student ambassadors will be pleased to guide you around if you are new to Angmering School.

Enjoy yourselves – it is your evening!

Simon Liley

Headteacher
