

Student Agreement 2023 - 2024

There has been wide consultation on this agreement in which we lay out what students can expect from us and, in turn, what we can expect from them.

WHAT WE WILL OFFER YOU

- Initial and continuing guidance about courses to meet your needs.
- Appropriate teaching, setting and marking of home learning.
- Regular reports and assessments of progress which will take account of your abilities and your objectives for the future.
- Further review of progress whenever necessary on request.
- Facilities and resources for study and the encouragement to acquire sound learning skills and habits. (The Sixth Form Centre is open and you are welcome to study in it from 8.30am to 5.00pm).
- Careful and comprehensive advice and support about careers, both in education and in employment.
- A willingness to talk with you and your parent(s)/carers both at regular published meetings and whenever you request an appointment.
- A genuine concern for the welfare and development of all students. Staff are available for consultation and the help of outside agencies can be sought when needed. No student should ever feel that there is no-one in the school to turn to.

- A real effort to maintain good standards of work, behaviour and to meet course requirements. The completion of all home learning, projects and assignments to set deadlines. Any students falling behind with work may need to attend additional sessions in the Study Room.
