

Thursday 17 July 2025

Dear parents and carers

As we approach the summer holidays, we hope your child has enjoyed a positive end to their time at primary school and has had the opportunity to celebrate this important milestone.

We also hope you've found our transition newsletters helpful. If there are any other topics you would have liked us to cover, please do let us know, we're always keen to improve and can include them next year. All the information we've shared is available on the Year 6 Transition page of our website for your reference.

**A few important reminders:**

- MCAS (My Child At School) - Please log in to check that your contact details are correct and that you've given the appropriate permissions for your child
- Photographs and Fingerprints - On the first day, we will take student photos and fingerprint scans for those with permission. We use fingerprint technology for canteen and snack shack payments as we are a cashless school.
- First Day of Term - Year 7 students start school on Thursday 4th September at 8:40am.
- Students will need to bring their PE kit and a packed lunch on the first day.
- Students to bring a padlock for their locker (this will allow us to issue them a locker on the first day)
- Summer Reading Challenge - Each student has been given a Summer Reading Challenge booklet by their tutor. There are six reading challenges to complete over the holidays. We would love to see photos of your child reading in unusual places, please email these to us with their name and tutor group.

Homework Schedule in September :

Week 2 – Science

Week 3 - Maths and science

Week 4 - English, Maths and science

After half term - all foundation subjects

I have attached a letter containing the uniform and equipment reminder for September including more information on permitted shoes.

If you have any questions or concerns over the summer, you can contact Mrs Hook at [lhoo@theangmeringschool.co.uk](mailto:lhoo@theangmeringschool.co.uk). Emails will be checked periodically during the break and we will respond as soon as possible.

Wishing you all a restful and enjoyable summer holiday, we look forward to welcoming your child in September!

Kind regards,

Mrs Lesley Hook  
Head of Year
