

The Angmering Sixth Form is celebrating another excellent set of results this year.

Students celebrating outstanding results this year include Maddie Howman (A\*A\*A\*), Molly Ireland (A\*A\*A\*), Matthew Williams (A\*A\*A), Georgia Millward (A\*AB with A\* in the Extended Project), Winnie Farrow (AAA with A in the EPQ) and Amelia Pearce (A\*AC). Students celebrating Btec success include Lucy King (D\*D\*D) and Jasmine Marshall (D\*D\*D). Additionally, a special mention for Louis Saunders who achieved an A\* in Geography to add to his A\*s in History and Biology from last year whilst preparing to compete for Paralympic GB in Tokyo this summer. Louis will return home to a place at the University of Sussex studying International Development.

Maddie is taking up a place to study law at the University of Bristol, Molly will study Maths at Durham University, Matthew will study Medicine at the University of Southampton. Georgia will study International Relations and Development at the University of Sussex, Winnie will join the University of Liverpool to study Architecture and Lucy will study Speech and Language Therapy at the University of Essex.

Tony Kerrison (Head of Sixth Form) commented "We are so very proud of our students and their achievements this year. They have shown such resilience in the face of uncertainty this year and have risen to every challenge. I also need to highlight the outstanding work by the teaching staff this year, both in preparing the students for their exams and then rigorously assessing them in a fair and professional manner. As a Sixth Form, we are proud to once again celebrate a great set of results which highlight the quality of our provision."
